Quick Overview

• Graduate Writing Center
• Graduate Statistics Tutoring
• Other resources
Graduate Academic Support

UASP academic support for graduate students offers a dynamic, supportive learning environment and programs for ASU graduate students enrolled in any graduate certificate or graduate degree program.

Graduate Statistics Tutoring

Graduate statistics tutoring provides any graduate student with free one-on-one appointment-based tutoring for statistics coursework as well as peer guidance on the quantitative analysis portion of thesis, dissertations or other research projects. Graduate students can make an appointment with a consultant to discuss and work on:

- Statistics coursework
Graduate Writing Centers

- Multiple locations:
  - Downtown Phoenix: UCENT101
  - Poly: Academic Center Building
  - Tempe: 2nd Floor Noble Science Library
  - Thunderbird: IBIC Building
  - West: Fletcher Library, Lower Level
  - Online: https://tutoring.asu.edu/online-tutoring

- Tutors are graduate students in a variety of degree programs.
Writing Camps

• $50 program fee; offered in June

• Dissertation Writing Camp
  o Available for: Graduate students who have reached candidacy in their programs

• Success in Graduate Writing Camp
  o Available for: Any master’s degree or doctoral student who wants to learn about graduate research writing
Writing Workshops

- FREE

- Offered throughout the fall and spring semesters on a variety of topics.

- The workshop schedule is online at http://tutoring.asu.edu/graduate.
Graduate Statistics Tutoring

• Located in the Graduate Writing Center in Noble Science Library at Tempe on the 2\textsuperscript{nd} floor.

• Schedule a 50-minute appointment.

• You can work one-on-one with a tutor on statistical coursework or on statistical analysis for a thesis, applied project, or dissertation.

• Tutors are graduate students in statistics-intensive degree programs.
Other Services
