RE: Mandatory Health Insurance

Federal law requires that J-1 students and their J-2 dependents be covered by health insurance while present in the United States. Arizona State University policy requires that F-1 students and their F-2 dependents also be covered by health insurance while present in the U.S.

In order to meet the insurance requirements cited above, the insurance must meet the following minimum requirements as of May 15, 2015:

1. Medical benefits of at least $100,000 per accident or illness;
2. Repatriation of remains in the amount of $25,000;
3. Expenses associated with the medical evacuation of the student and/or family members to home country in the amount of $50,000; and
4. A deductible not to exceed $500 per accident or illness.

By signing this memo, you are acknowledging that:
• you have been informed of the insurance requirement,
• you are aware of the high cost of health insurance for family members, and
• you agree to buy adequate insurance coverage for yourself and your dependents while residing in the U.S.
